The Perfect Humidifier For Swiftlet's Farm

FB - 8000 / 9000
Cool Mist Ultrasonic Humidifier

FB - CTW 7000
FOGGY VALLEY

100% Clean

Not Use Ultrasonic

The FB-BTW3600 is the ideal solution for mid-size humidification.

With a coverage up to approximately 2000 sq ft per unit,
it produces the humidification you need simply, quietly,

and efficiently. Unlike other mid-size humidifiers, our humidifiers have fewer moving parts and do not require steam or treated water. It come with a smooth and powerful industrial-grade motor that will produce clean and ample humidification for years to come.

Powerful Humidifier FB-BTW3600

Measures: 370mm x 370mm x 430mm.

Coverage: 300m², depending on humidification requirements.

Maximum Output: 3.5 liters per hour.

Voltage: 230V/50Hz

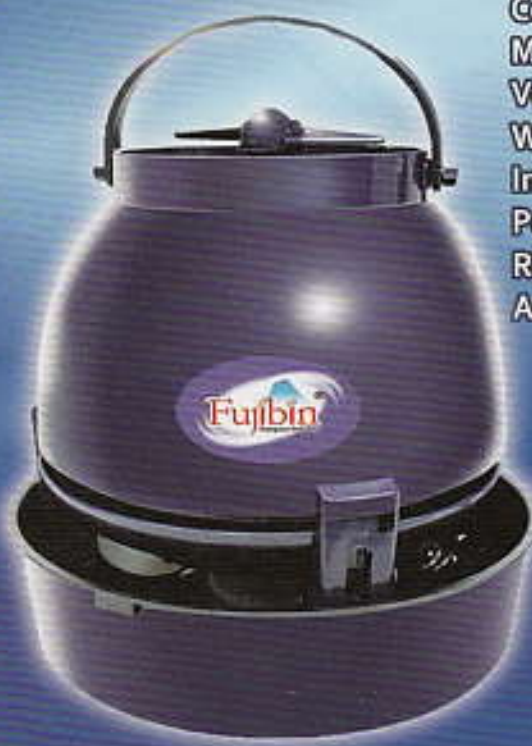

Weight: 8Kg

Industrial-Grade Motor.

Power Consumption: 112 Watt

RPM: 2930

Amp: 0.48 Amp

Applications:

Commerical Printing

Textiles

Tobacco, Cigarette, Cigar

Greenhouse-Orchids & Other Flowers

Agriculture-Mushroom Growing & Other Applications

Poultry and Livestock

Fruit & Vegetable Storage

Plastics Manufacturing

Optional Accessories
